# Quincy Police Department 2023 Annual Report

This past year, 2023, was both challenging and rewarding. In February 2023, we said goodbye to now retired Chief Kieth Siebert who served as Quincy's Police Chief since 2017. Retired Chief Siebert served both his country and community for nearly 30 years in the United States Army, Grant County Sheriff's Office, and Quincy Police Department. We thank Chief Siebert for his distinguished service and wish him the best of luck in his retirement.

In March of 2023, I was honored to be selected as your Chief of Police. I have been in law enforcement for over 26 years working for the Ephrata Police Department, Grant County Sheriff's Office, and Quincy Police Department, and I started my career in the United States Air Force as a Security Force Airmen. I have served in many positions throughout my law enforcement career to include Officer/Deputy, Field Training Officer, SWAT team operator, Major Crimes Detective, and Captain. I have earned the following college degrees; AAS Administration of Justice (SCC), AA Liberal Arts, BA Criminal Justice (WSU), and Masters in Management (Faulkner University). I have also attended the prestigious FBI National Academy where I earned a Master's Certification from the University of Virginia in leadership.

The Quincy Police Department Mission Statement, *Committed to Community*, remains our number one focus and priority. We achieve our mission through proactive law enforcement, community engagement, and proper training/education. Having a well-trained police force helps build public trust and allows us to achieve our State Accreditation goals. In the fall of 2023, your Quincy Police Department was re-Accredited through the Washington Association of Sheriffs and Police Chiefs (WASPC) and passed with 100%. This was in large part due to our staff and the Accreditation Manager, Erin Omlin, who is also the Chief's Administrative Assistant.

Community engagement and collaboration with community partners are key to our success. Throughout 2023, we teamed up with several of our local organizations to enhance community presence. Additionally, a second School Resource Officer position was approved and implemented to increase our presence in the schools and support a safe place for all children to learn and enjoy.

Staffing issues have been a struggle, and we have seen employees move on for a variety of reasons. Hiring and retention of police officers is a national issue and we are not immune. We are working with our Civil Service Commissioners to get qualified applicants hired. In an effort to further support our employees, we increased our wellness and safety programs in 2023. The City of Quincy now offers employee assistance programs (EAP) and staff has access to mental health professionals 24/7 through on-line applications.

I truly appreciate the cooperation and support the Quincy community has offered to the police department and I look forward to building our relationship in 2024.

Ryan Green, Chief of Police
