Quincy Police Department 2024 Annual Report

It is my honor and privilege to serve the Quincy Community as your Police Chief. A little about me, I have been in law enforcement for over 27 years working for the Ephrata Police Department, Grant County Sheriff's Office, and Quincy Police Department. I am a military veteran, having served in the United States Air Force as a Security Force Airmen. I had the opportunity to serve in many positions throughout my law enforcement career to include Patrol Officer/Deputy, Field Training Officer, SWAT Team Operator, Major Crimes Detective, and Captain. I have earned the following college degrees; AAS Administration of Justice (SCC), AA Liberal Arts, BA Criminal Justice (WSU), and Master's in Management (Faulkner University). In 2022, I attended the prestigious FBI National Academy where I earned a Master's in Leadership Certificate from the University of Virginia.

The Quincy Police Department's Mission Statement, "*Committed to Community*", remains our number one focus and priority. We achieve our mission through proactive law enforcement, community engagement, and proper training/education for all employees. Having a well-trained police force helps build public trust and allows us to achieve our State Accreditation goals.

Community engagement and collaboration with community partners are key to our success. Throughout 2024, we teamed up with several of our local organizations to enhance community presence and engagement.

Staffing issues have been a struggle, and we have seen employees move on for a variety of reasons. Hiring and retention of police officers is a national issue, and we are not immune. We worked with our Civil Service Commissioners to get qualified applicants hired and I'm happy to say we have a full force of officers at this time.

I truly appreciate the cooperation and support the Quincy Community has offered to the police department, and I look forward to building our relationship in 2025.

Kind regards,

Ryan Green
Chief of Police
