Quincy Police Department 2017 Annual Report

It is my honor and privilege to be the Chief of Police for the great City of Quincy. I believe this is the first annual report completed by the police department and am excited for the transparency. I apologize it is a bit late and will complete and release it sooner next year.

2017 was a challenging year for the police department. Several personnel changes happened over the year. From a change in leadership to several new faces on patrol. Shortages in this area have kept the police department from being fully functional.

The Interim Chief laid the ground work for a Mission and Vision Statement as well as new Values. This change assisted in reminding everyone they matter. When I arrived I made sure all employees understood the three tenets of success: Respect, Accountability and Commitment.

We have great employees at the Quincy Police Department. They worked many extra hours in 2017 due to shortages. They worked through some very adversarial times but in the end, they are Quincy Police Officers. They love their community and the pride shows. Thank you ladies and gentlemen.

2018 and 2019 will be extremely busy years with several projects to keep me busy. Stationary cameras, body cameras, K9 program, Explorer/Cadet program, Community Outreach programs, Accreditation and possibly a week long camp are just a few programs to come. We are also ramping up the hiring process so we can better serve the community.

I hope you look over what was accomplished last year and enjoy this report. As I said, I am honored to be here to serve you. Remember to stop by the department if you have comments or suggestions on the direction we are heading. Until then, be safe.

Respectfully,

Kieth A Siebert

Chief of Police
